WHAT TO BRING TO CLASS

Water | Mat | Towel

DROP-INS

Non-member, drop-in participants must arrive 15 minutes prior to the start of each session to fill out a waiver and information sheet.

AOA | ACTIVE OLDER ADULTS

This new AOA addition brings new energy your way: 30 minutes of Cardio mixed with Stretching, Strength and Weekly Wellness Challenges. Cardio will be on Mondays, Strength will be on Tuesdays & Thursdays.

BARRE

A total body, low impact workout to strengthen your core, sculpt the glutes and thighs and tone the arms.

BOOT CAMP

Boot Camp combines cardiovascular endurance and strength training using dumbbells, barbells, tubes, and body weight exercises. Through challenging yet fun and safe exercises you will get a total body workout.

CARDIO, CORE & MORE

Cardio exercises combined with resistance training for a total body workout. Using light weights and body resistance you will sculpt your abs, glutes, and arms in this body toning workout all while strengthening your core.

CARDIO, STRENGTH, INTERVALS

This class incorporates a cardiovascular workout with high intensity interval, resistance and strength training (using tubes, dumbbells and one's own body weight) all in one hour! Abdominals will also be targeted. This class is suitable for all fitness levels. You will burn fat, build endurance, define and strengthen your muscles. Participants must bring their own mat.

CIRCUIT TRAINING

Get a full body, high intensity workout while targeting specific muscle groups.

CORE-4-MORE/CORE BODY STRENGTH

Get stronger with the fusion of free weights, resistance bands, body bars, stability balls, and rigorous mat work, and routines that are far from predictable.

ESSENTIALS

A perfectly blended workout using body resistance and light weights to target the entire body. The class is designed to target the core, sculpt the glutes and thighs, and tone the arms.

EXHALE

Take time to stretch out those muscles while also practicing breathing techniques.

FAB ABS & SERIOUS STRETCH

A concentrated core workout with great stretches to keep your week going.

GENTLE A.M. YOGA

Develop fundamental postures, breath control and relaxation. This class is structured for those new to yoga or those revisiting yoga after many years.

KETTLEBALL STRENGTH & CONDITIONING

A high intensity dynamic workout that combines strength, cardio and core.

KICK/SCULPT/CORE

Your favorite cardio kickbox class will be done in an easy to follow boot camp style format. This class is designed for all fitness levels and will keep your body blasting calories hours past your workout.

LUNCHTIME CIRCUIT TRAINING

Get a full body, high intensity workout while targeting specific muscle groups.

MUSCLE UP

Build strength, endurance and definition with weight training movements.

OUTDOOR INTERVALS

This class combines cardiovascular endurance and strength training using dumbbells and body weight while incorporating necessary abdominal exercises.

SCULPT & ABS

This class combines cardiovascular endurance and strength training using dumbbells and body weight while incorporating necessary abdominal exercises.

SIMPLE STRETCH

Stretch it out and relax without the intensity of a yoga class.

TRAIN WITH A TRAINER

This class is a small group training hybrid class, led by a certified personal trainer/exercise physiologist. Workouts are unique weekly and provide: body strength exercises using diverse functional equipment; flexibility; and the physiology underneath the process. All fitness levels have a place in this class.

TRX

Suspension training with high intensity efforts. TRX can be scaled to fit any individual. Other equipment maybe used, including but not limited to weights and cardio bursts.

VINYASA FLOW YOGA

Enjoy a blend of yoga postures with synchronized breath and smooth movement. Vinyasa Flow Yoga increases strength and flexibility while calming and steadying the mind.

WAKE UP CALL

Monday - Cardio Strength Interval - Join us for a total body workout. This class will incorporate a cardiovascular workout with interval, resistance, and strength training. Abdominals will also be targeted. This class is suitable for all fitness levels. You will burn fat, build endurance, define & strengthen your muscles. Please bring a yoga mat.

Wednesday - Cardio and Core with Ball - Improve muscle strength, flexibility, balance, and focus with the use of a stability ball. Perform a wide variety of movements and exercises to improve your core strength and cardiovascular endurance. The ball, is also very effective for stretching and strengthening the core muscles. Please bring stability ball and yoga mat.

YOGA

Invigorate your mind and body and relax from a busy day while you sweat and strengthen your body in this high energy workout.

YOGA FUSION

Invigorate your mind and body and relax from a busy day while you sweat and strengthen your body in this high energy workout.

ZUMBA

An aerobic/fitness interval training workout that combines fast and slow rhythms with dance inspired exercises to tone and sculpt your body, top to bottom. Zumba is a fun, easy, "feel happy" workout.

ZUMBA STEP

Zumba Step is a combination of step training and a regular Zumba class. It combines all the toning and strengthening of step with the Zumba fitness-party everyone loves. Burn calories while toning and strengthening legs and glutes.
